MEMORANDUM FOR: Executive Secretary, U. S. Intelligence Board

**SUBJECT: Proposed Change to USIB-D-51, 3/3 (Rev.)
2 November 1961
"Procedures for Dissemination of the National
Intelligence Survey to Foreign Governments"**

1. The NIS Committee considers that subject document requires simplification to provide for the physical release by appropriate service attaches of NIS sections formerly produced by the separate departments and now produced by the Defense Intelligence Agency.

2. The NIS Committee recommends, therefore, that the following sub-paragraph be added to paragraph number 3 of subject document:

" b. NIS units produced by DIA may be released by the attache of the service having primary interest in the subject matter of such units to an authorized representative of the nation to which he is accredited. A service attache may not release DIA produced NIS units which are of primary interest to another service without prior agreement of the attache representing that service. "

3. Subsequent sub-paragraphs should be re-lettered appropriately.
